# A Letter From Our Foreign Exchange Student Paulina Montaldo

Dear Fellow Students,

I don't know what I will miss most about you. You have made me familiar with so many things. Every one will be an important reason for my sadness in leaving you, but with good-byes must come a little bit of happiness too and, that is the happiness of knowing that, in your school, I completed my own school career. Of course every good-bye is sad. It is even more so when one has developed so many close friendships. It seems only yesterday that my first friend came up to me and offered to help me with a vocabulary test. The time in which I have been able to learn in your classrooms and to enjoy the company of teachers and students has been too short, but that's the way it is. I have to leave, to go, seemingly, far away even though I know that I'll always remain near. I can not nor do I want to forget you.

I came from South America and I came to you happily in search of a new and marvelous experience which thanks to my parents and Rotary I found. Now I go back to Ecuador, in the middle of the world, to the country which gives its name to the line which divides the earth into two hemispheres.

I shall never forget the very pleasant memories, the sunny days, the snowy days; my friends who were like brothers and sisters to me; volleyball which I practiced and played and the outstanding football games I enjoyed so much.

Now I say good-bye to you, but please know that you will always have a place in my heart and in my country where you will always be welcome.

Love always,

Paulina Montaldo

### Remember

Remember me when I am gone away,  
Gone far away into the silent Land;  
When you can no more hold me by the hand,  
Nor I half turn to go yet turning stay . . .  
Remember me when no more, day by day,  
You tell me of our future that you planned:  
Only remember me; you under stand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve;  
For if the darkness and corruption leave  
A Vestige of thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

Together; we are the class of nineteen eighty-four,  
 Always striving to grasp much more.  
 Throughout the good times and the bad  
 Happy moments with some sad.  
 Broken promises or forgotten romances,  
 Football, basketball, after dances.  
 Halloween parades to Toga I & II,  
 Special friends, wild times with just us two.  
 A class with its own style,  
 Lost hearts thrown into a pile.  
 Yesterday's memories left behind,  
 New friends and lovers we'll find.  
 Reaching for that bright shiny star,  
 Yes, as all of us will go that far.  
 High school years filled with fun.  
 As the class of '84 remains number one!

# No, No, Nanette

When "No, No, Nanette" was chosen as the 1983 musical, many people were apprehensive because the show had been put on 7 years before. However, when the curtain parted on opening night and the show began, everyone knew that the performance would be equal to, if not better than its previous performance at N.H.S. "No, No, Nanette," took place in the roaring 20's and concerned the Smith family and their controversies over a period of 2 days. The show was a success, thanks to the support of Mr. Frediani, Mr. D'Angelo, Mr. Schaffner, and Mrs. Marilou Andrews, as well as the student directors.

## *Jr.-Sr. Prom A Night to Remember*

May 13, 1983 certainly did prove to be A NIGHT TO REMEMBER. Because this was the first prom to be held outside of the school, it was even more special. The Class of 1984 had fun decorating for their first prom, but the real excitement came when everything fell together and proved to be a successful night.

Sojourn provided the music, and surprised the crowd with their rendition of "SHOUT!"

A special thanks goes out to the butlers and maids: Todd Casalandra, Jeff Hedland, Matt Caizza, Bonnie Bonk, Lauri Chamberlain, and Carol Raynak. After the prom, dinners and parties helped to round out the evening. It truly was a special night for everyone who attended!

## Homecoming

Despite the mixture of cold and rain, this year's Homecoming was a shining success. The presentation of the attendants and their escorts proved to be not only dazzling, but also very memorable. The hopeful candidates for queen were Beth MacMurdo, Ann Piccirillo, and Diane Simpson. As the drumroll played and the excitement heightened, Ann Piccirillo was named the 1983 Neshannock High School Homecoming Queen. She was escorted by Tim Hutcheson and crowned by Andrea McRoberts, the Student Council President.

The Junior attendants were Marcy Grotefend, Sue Catterson, and Sandra Piccirillo. Sophomore attendants were Amy Fox, Amy Isidro, and Melissa Santia.

# Mock Homecoming

For years, football players have complained that they take no part in the Homecoming festivities. This year, Neshannock's cheerleaders decided to treat the football team to a mock homecoming featuring varsity football players as contestants vying for the coveted crown. This first time extravaganza was held before the student body during the Homecoming Pep Rally.

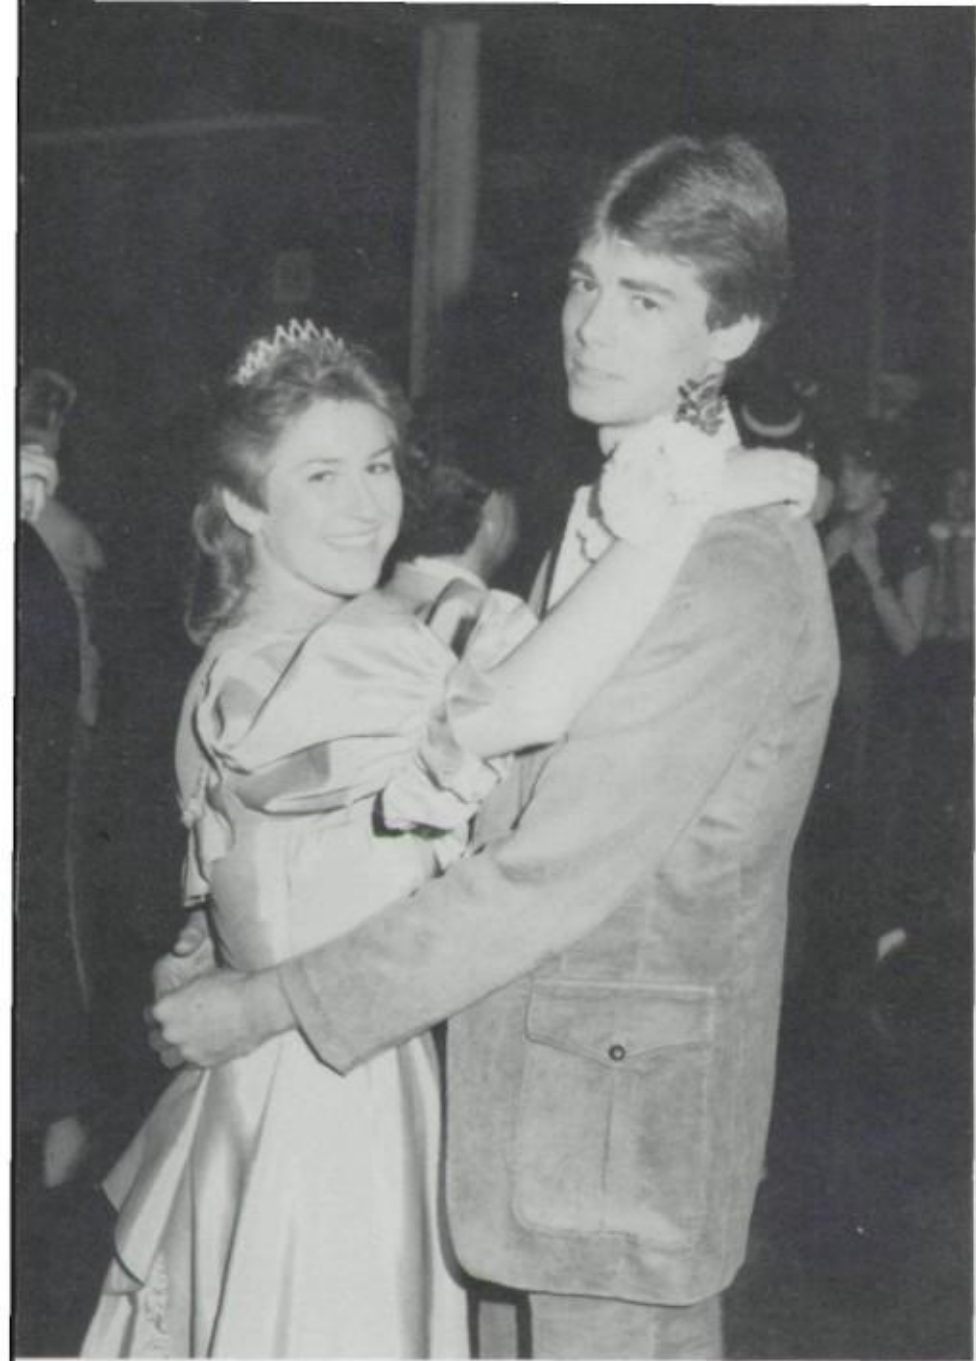

The hopeful candidates battling for the prestigious title were Danny Hess, escorted by Joel Bender; John Cournan, escorted by R.K. Rainier; Todd Ketterer, accompanied by Rick Schleich; Dave Cerroni, with escort Scott Chamberlain; J.P. Wherthy and escort Matt Chabak; and Trevor Melder, who failed in his attempt to come up with an escort. Based on the cheers of the student body, our 1983 Mock Homecoming Queen was David Cerroni, who was presented with a crown and flowers.

## Homecoming Dance

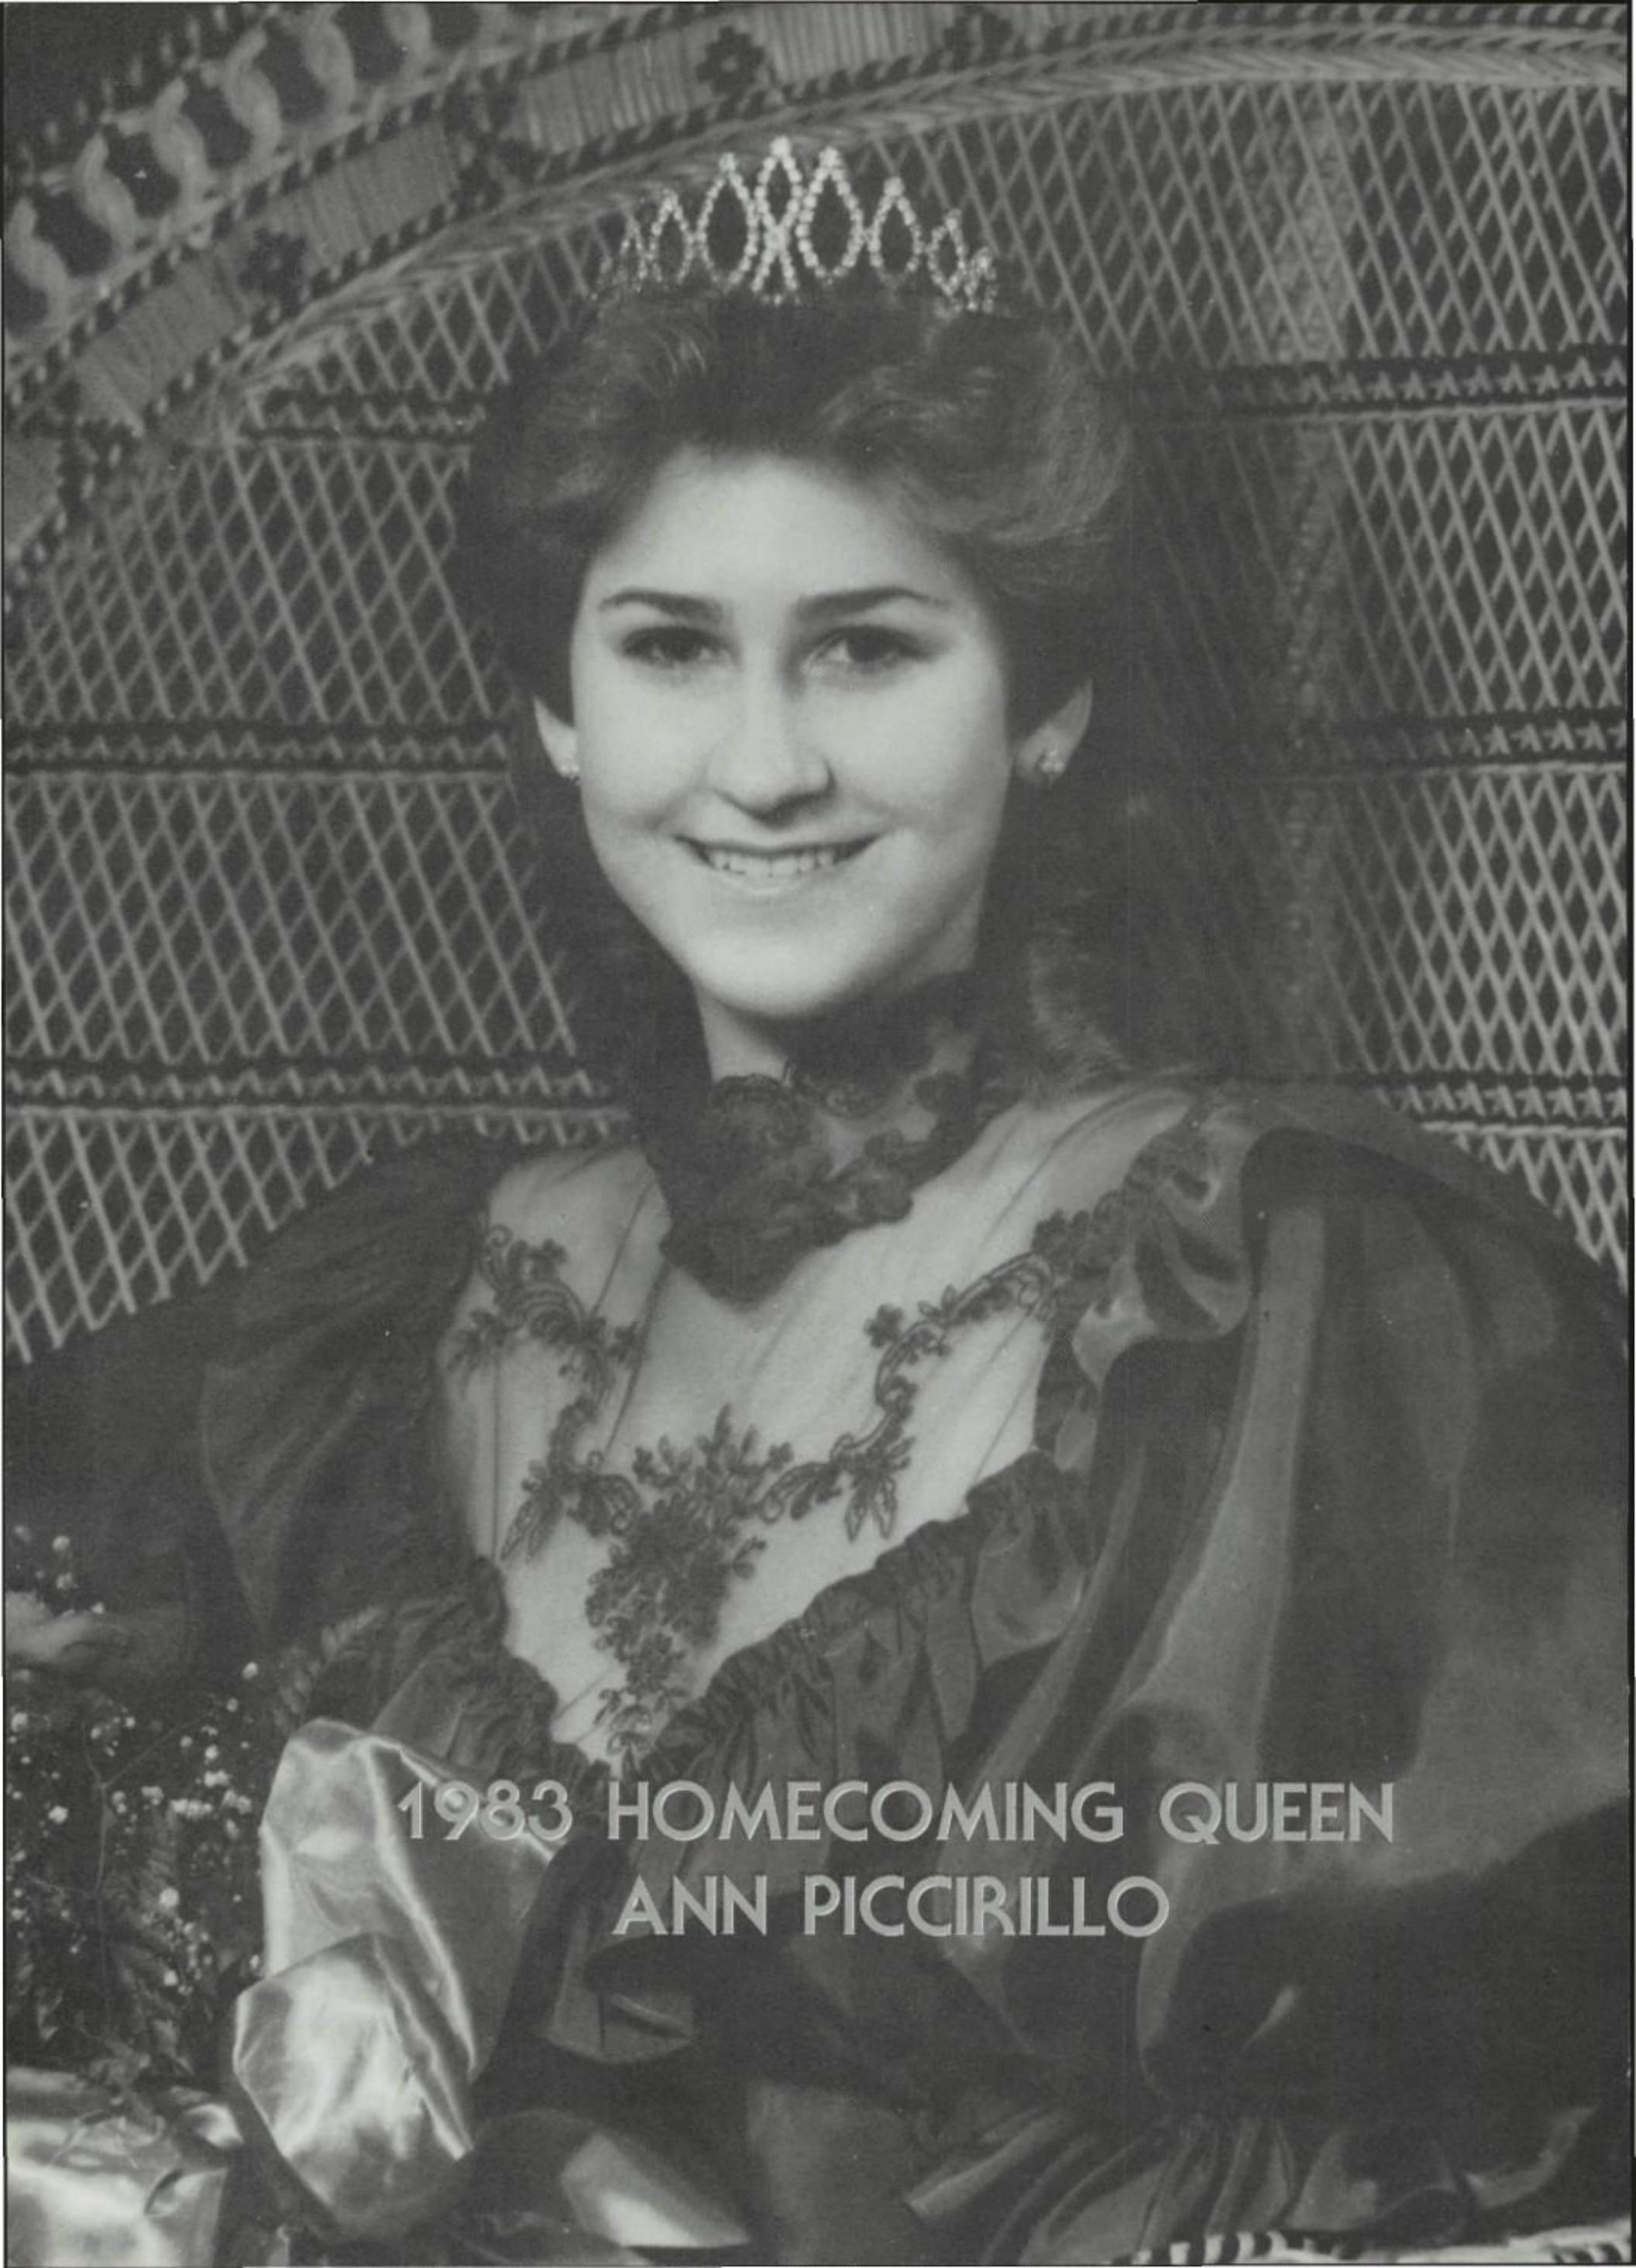

On Saturday, October 1, the day after our spectacular Homecoming victory over Rochester, the Student Council held its Homecoming Dance for all Neshannock students and guests.

Homecoming Queen Ann Piccirillo and her court and escorts were in attendance and honored with photographs and the Queen's Dance which featured Queen Ann and her escort Timm Hurcheson.

As seen in the photo on the lower left, there were a lot of faces at the dance. And those in attendance had a great time. It was a perfect way to end a perfect Homecoming weekend at Neshannock.

Former Steeler Rocky Bleier answers a question . . .

## ***Steeler Assembly***

### ***Rocky Bleier and Russell Davis***

### ***Entertain Neshannock***

On October 5, WPXI sports commentator and former NFL and Pittsburgh Steeler star Rocky Bleier and his traveling Steeler assembly treated Neshannock High School to its best school-time program in a long time. During the assembly, the students at Neshannock got the unique opportunity to meet Rocky and his Steeler guest for the day, Russell Davis, who was on the injured reserve list at the time of the assembly.

Before Rocky spoke to the student body, the movie **The Pittsburgh Steelers: Team of the Decade** was shown, complete with bone crunching tackles, great runs, great passes, and great catches (including the Immaculate Reception) by Steelers from the past decade. Following the film, Rocky and Russell opened up an informative question and answer session, answering questions on the Steelers and pro football in general. Following the assembly they signed autographs before leaving via the WPXI helicopter, which landed on our football field.

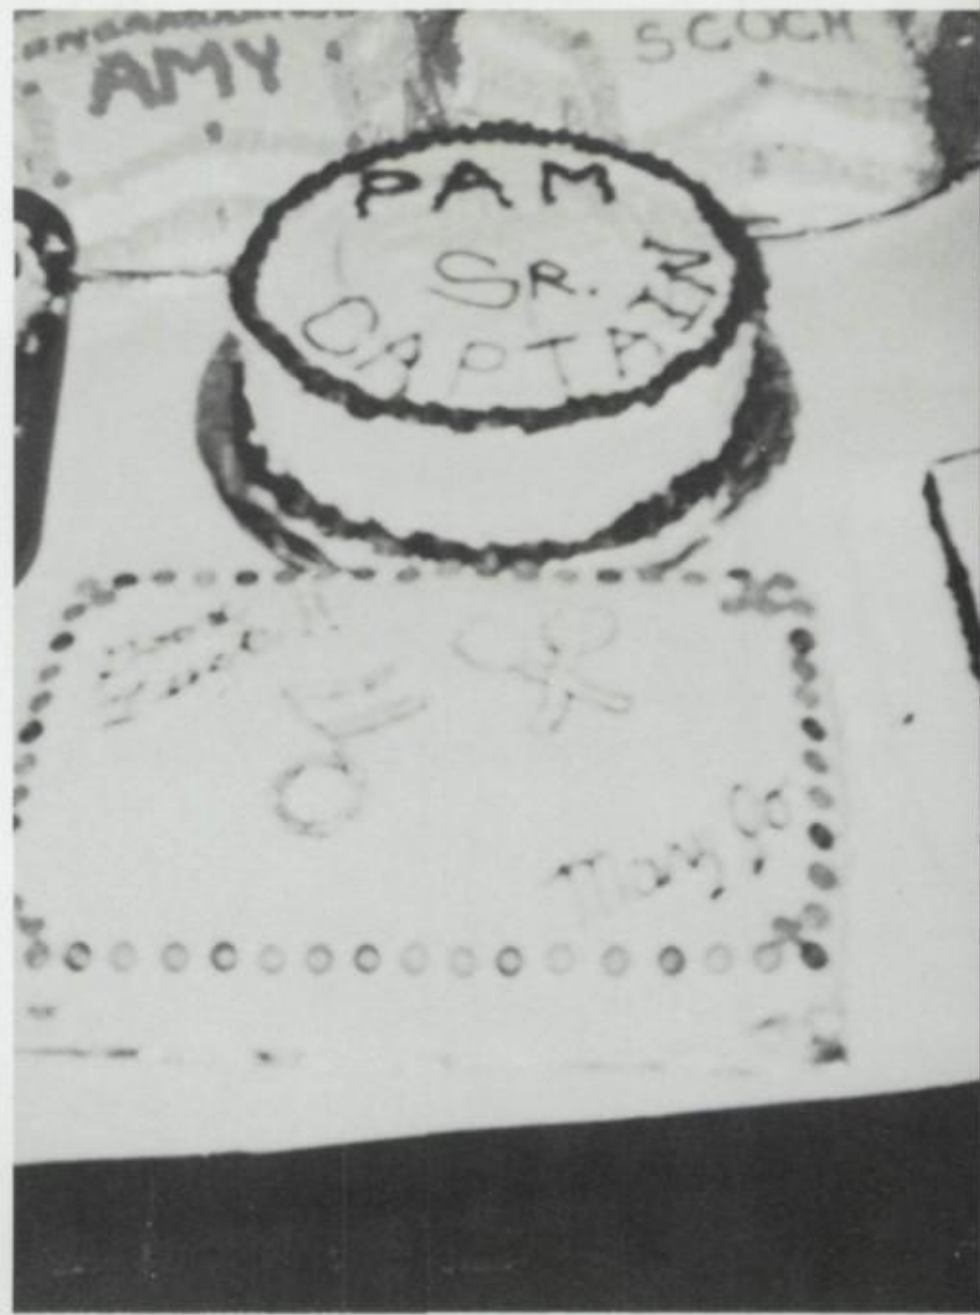

Rocky was crowded by autograph seekers following the assembly.

# Senior Cakes

An old tradition at Neshannock at the end of Senior Week is the making of cakes for the senior members of all of the fall sports team, the band, and the various drill teams. This year saw a vast array of cakes as evidenced in the photos on this page. The cakes mark the culmination of a successful fall season for all of the teams and helps to spark the students at Neshannock for the football game that evening.

# Senior Night

The offense huddled and approached the line of scrimmage. Midland's defense tensed and waited for Neshanock's center to snap the ball. Both teams were hoping for victory, but the Lancers had an extra incentive to win. It was Senior Night.

Prior to the football game, senior members of various fall and school activities were announced by Mr. Frediani. Senior students from the football team, band, cheerleaders, Lancerettes, majorettes, flags, and rifle corps were recognized. The class officers and the foreign exchange student were also introduced. All senior members in these organizations were escorted across the field by their parents.

This event and the excitement in the stands urged the Lancers on to score three touchdowns and to defeat Midland.

## Senior Fun Night

This year's Senior Fun Night proved to be a great success. The officers decided to have a combined Halloween-Fun Night party. The committee spent all afternoon decorating the school and popping popcorn. After all, what would a movie be without popcorn? If the seniors wished, they could watch **The Thing** rather than play volleyball, basketball, or artillery. The seniors are commended for coming up with such original costumes. A special thanks goes to the chaperones, who judged the costumes. The winners of the albums were Leanne Casandra, Mike Williams, and Tom Fontana. Good job, guys!!!

# Senior Play

Saturday, December 17, 1983, the Senior Class presented the play, "Love Your Neighbor," a 3-act farce comedy written by Albert Johnson.

After all the rehearsals, learning lines, and having to delay the play one week, these students finally pulled through, and the play was a great success.

"Love Your Neighbor" took place in a small Iowa home of the Vashki's. Emil and Anna (Mr. & Mrs. Vashki), were preparing for the wedding of their daughter Tessy to a rich, worldly man, Oswald Fredrick. Oswald's mother and aunt were pushing for this marriage, because they felt it would be good for their candy bon-bon business.

The story complicates itself further when Tessy first meets her new neighbor, Johnny Jones, after one of his bees stings her. Needless to say, it was love at first sight, and Tessy and Johnny eventually came to be together.

The cast had a really good time practicing and performing this play. The students did have quite a bit to learn, and the cast (believe it or not) did have some problems. For instance, Randy Smith had to hide his lines in the right places; Leanne Casalandra had to learn to backwards talk; Cathy Jay had problems while making her clay mummy; Barb Plant had to sit just right to make such a big splash; Howard K. Cohen had problems with which place he should make his entrance; but Cathy Sandvik had no problem having to act like a hypochondriac. Although there were some minor problems such as the ones listed, the cast had a great time.

With the help of director, Mr. Donald A. Frediani, this was something these students will never forget as they move on.

The cast would like to thank Mr. Fred for giving them his time and concern. They'll never forget him.

The **Lance** would like to congratulate these people on a job well done!!!

"No wonder you said I didn't vibrate."

"Sir while some lemonade I get."

"Take that Oswald!"

"Can't you even dress yourself?"

Johnny and Tessy find true love.

"Pretty snappy gloves!!!"

# Basketball Seniors

During the week of February 13, Neshannock honored its senior basketball players on both the girl's and boy's teams.

On Monday, Feb. 13, the Girl's Basketball Senior Night took place. Prior to the game, Debbie Barker, Sharon Kozlowski, Jodi Ludovici, Brenda Miller, Karen Reed, and Manager Mary Jo Barker were introduced to the crowd in attendance. In their final regular season home the game the girls put up a good fight before finally succumbing to a strong team from Wilmington.

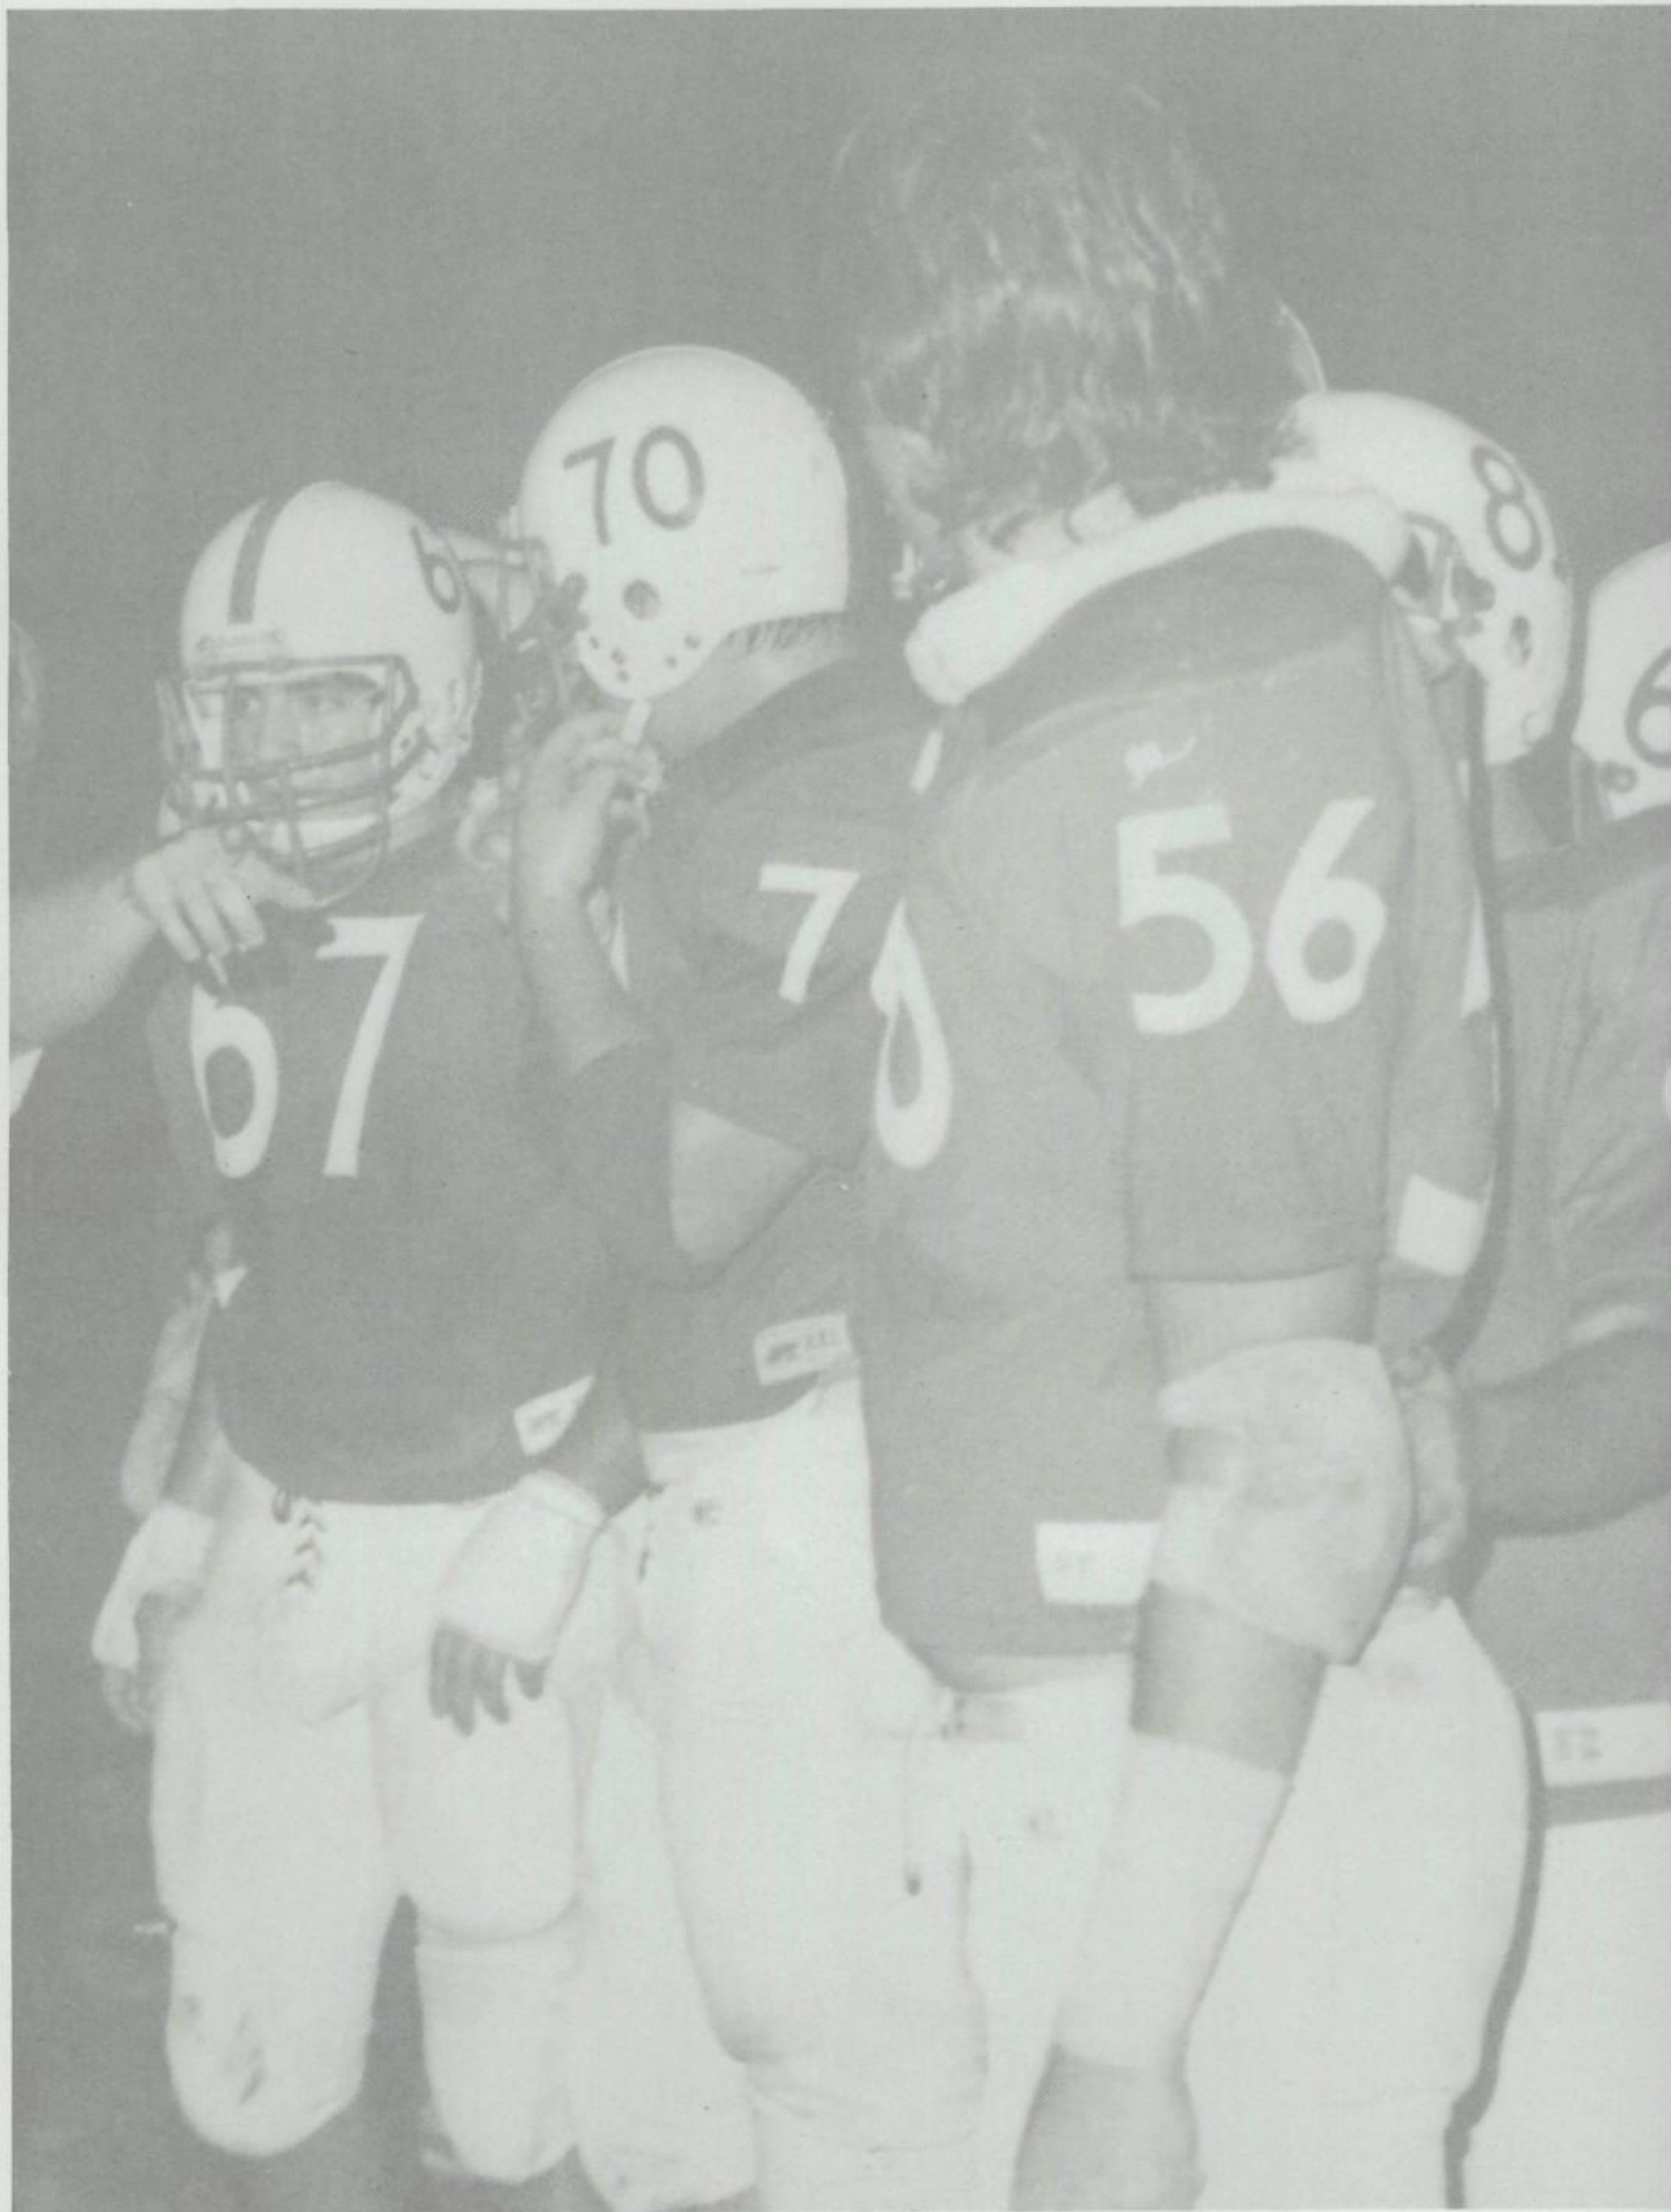

The following evening, the boys were more successful against the boys team from Wilmington, coming away with an exciting victory on a last second shot to win by one point. Prior to their last home game, senior Scott Chamberlain, Bobby Dray, Tim Hutcheson, Trevor Melder, John Snow and Manager Mark DiBiase were introduced to the packed house along with cheerleaders Kyree Eddy, Cathy Jay, and Sharon Kozlowski.

# Varsity Football

The 1983 Lancer Football team seemed to surprise everyone but themselves by finishing third in the Tri-County and by showing a lot of character. The team experienced both great victories and heartbreaking losses. The highlight of the season was the Homecoming victory over Rochester, which we won 15-14, after a sensational 60 yard run with 25 seconds left.

Not too many records were broken and no one player outshined the rest but the 83 Lancers, under the leadership of Bob Bleggi, played as a team. They started their season with 2 rough losses and finished it with 2 great victories.

This team never quit and although they may have been missing some things; spirit, determination and pride were not among them.

## *Junior Varsity*

This year's Neshannock High School Jr. Varsity football team showed a lot of character. The defense was so rough that they never broke. From the looks of this JV team, fans definitely have something to look forward to with the coming seasons. This team showed more than just character; they showed pride and determination!

## Junior High

During what many felt was a disappointing season, the Junior High Football team felt many highs and lows. After a great start with victories over West Middlesex and Mercer, the team went 0-3-1 over the next 4 weeks. But, in the season finale, they defeated Mohawk to salvage a .500 record.

Some great performances were turned in by the players this season. John Weatherby, Eddie Covert, Billy Barker, and Brian DeLorenzo sparked the offense along with the offensive line while Jeff Demonfonte, Sean Dwyer, Jimmy Eakin, Jack Cameror, and Danny Ambuster and others played tough scrappy defense all season.

With the experience gained through this year and the coming years, these future stars will make up an exceptional Varsity team.

# Cross Country

Under the careful direction of their coaches, Mr. Gary Weimer and Mr. Dave McLaughlin, this year's Boy's Cross Country team made great strides toward excellence. While the team was youthful, with only two returning seniors, they proved to be extremely successful. During the season, the boys racked up a very good dual meet record, won the Tri-County Cross Country meet, finished 3rd in the W.P.I.A.L. meet in the Class AA Championship, and competed at the P.I.A.A. State Championship Meet at Lehigh University in Bethlehem, PA.

Mr. Weimer and the Cross Country boys should be congratulated on a fine showing during this past season.

# Girls Cross Country

For the past four years the girls Cross Country team, coached by Mr. Travers, had won the W.P.I.A.L. Championships and went on to finish no lower than seventh place at the State Meet. This year, however, hampered by injuries and a lack of runners, the girls turned in a respectable fourth place finish at W.P.I.A.L., which did not enable them to go to State, yet Denise Johnson did qualify for State. Even though the team will lose four seniors; Karen Davies, Sharon Kozlowski, Brenda Miller, and Denise Johnson, they will still have an excellent squad returning next year. Denise finished second place at the W.P.I.A.L. Championships which enabled her to qualify for states for her fourth straight year. At states she put in a fine performance finishing 23 overall. On behalf of the **Lance** staff, we would like to congratulate Denise on doing such a great job!!!

## *Girl's Tennis*

The Neshannock's Girl's Tennis Team had a smashing 1983 fall season. Coached by Mrs. Gretta Bretton, the team won all but three of their matches. Seniors that lead the team to the semi-finals were Megan McKissick, number one singles; Anita Cicero, number two singles; and Kim Fox, number three singles. The other members of the varsity squad include: Kristen Beebe and Melissa Sanria, first doubles; Margarer Blewett and AmyLytle, second doubles. This was Mrs. Bretton's second year as coach of the team, and she was very pleased with the girl's tennis team for losing only 3 matches during the season.

## Golf

This year's golf team proved to be one with determination. After tryouts, the team started its season at Castle Hills Golf Course, where it hosted the other teams. The team will lose only one senior this year, Tom Whittaker, but they will miss his great playing. Next year's team should be even better because of the experience.

## Volleyball

This year, Girls Volleyball was added to Neshannock's sport family. The team was coached by Miss Susan Brown. Because it was the first year for volleyball, the tryouts were challenging and the practices strenuous. The "Lancer Specials" became part of the girls practice routine. The high scorer for the season was Una Chen. The **Lance** staff would like to congratulate the girls and Miss Brown on such great ambition which they showed this season.

## Basketball

This year's version of Neshannock's Boy's Basketball team featured some of the old and some of the new. The team was led by six returning seniors including starters John Snow, Bob Dray, and Tim Hatcheson. Trevor Melder also saw considerable action as a substitute. Some new faces also came into the picture this year as junior Tom Linton and sophomore Nick Kolovos broke into the starting line up and made considerable contributions to the team and junior Steve Marino saw action.

The Junior Varsity hoopsters were led by Marino, juniors Tyler McQuiston and Todd Casalandra and Gordon Wissinger and by sophomores Don Colucci and Charles Patton.

## Girl's Basketball

Led by 4 seniors and some talented underclassmen, Neshannock's Girl's Basketball team worked their way through an up and down season, including wins by huge margins and disappointing losses to section foes.

Tammy Sankey, a junior and one of the most prolific scorers in the W.P.I.A.L., led the team in many categories including scoring. Tammy topped the 1,000 point mark midway through the season in what was only her third year of competition. She also broke the school record for points scored in a game by pouring in 45 against Quigley.

Also leading the team were Jennifer Hannon, Brenda Miller, Sharon Kozlowski, Karen Reed, Jodi Ludovici, and Debbie Barker. Mr. Bill Girvan and his assistants Mr. Mike Fisher and Mr. Nick Padice's work has paid off with success.

## *Girl's Junior High Basketball*

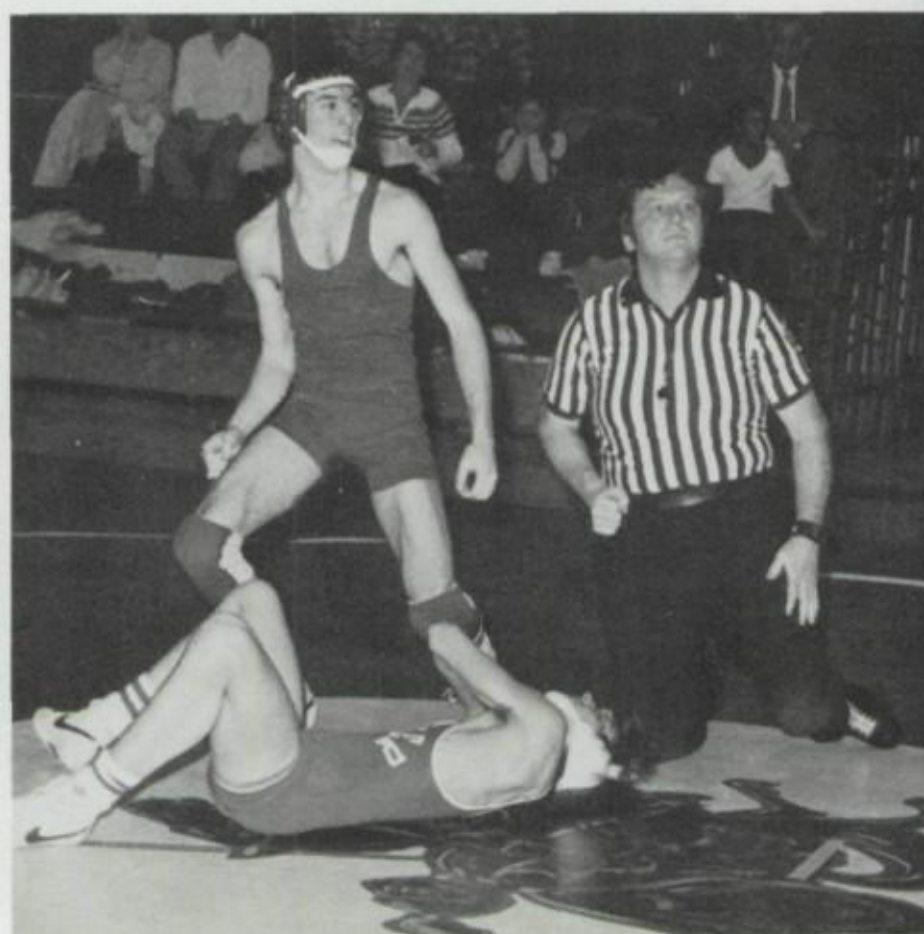

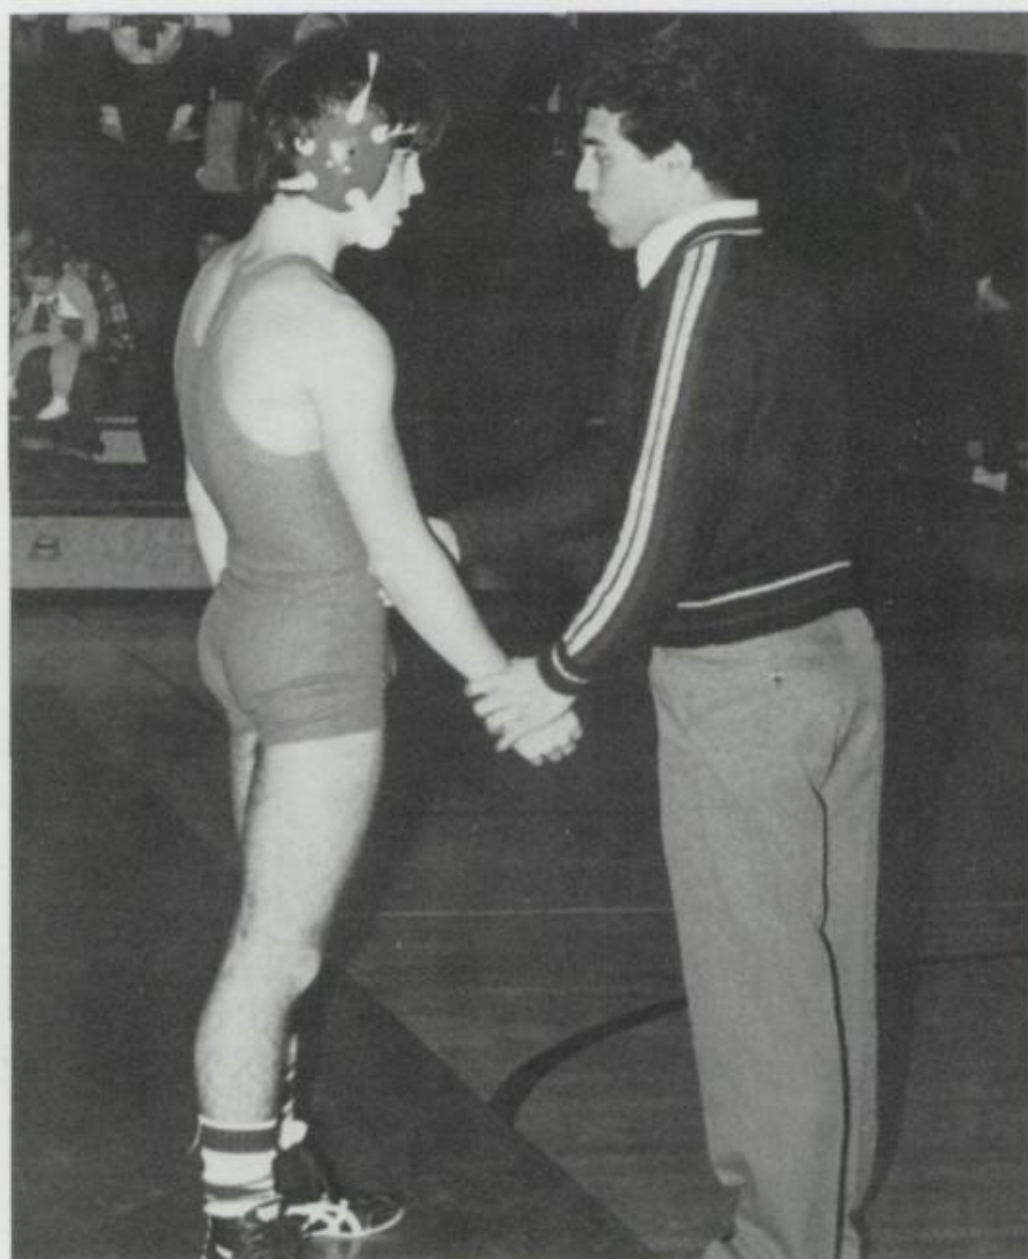

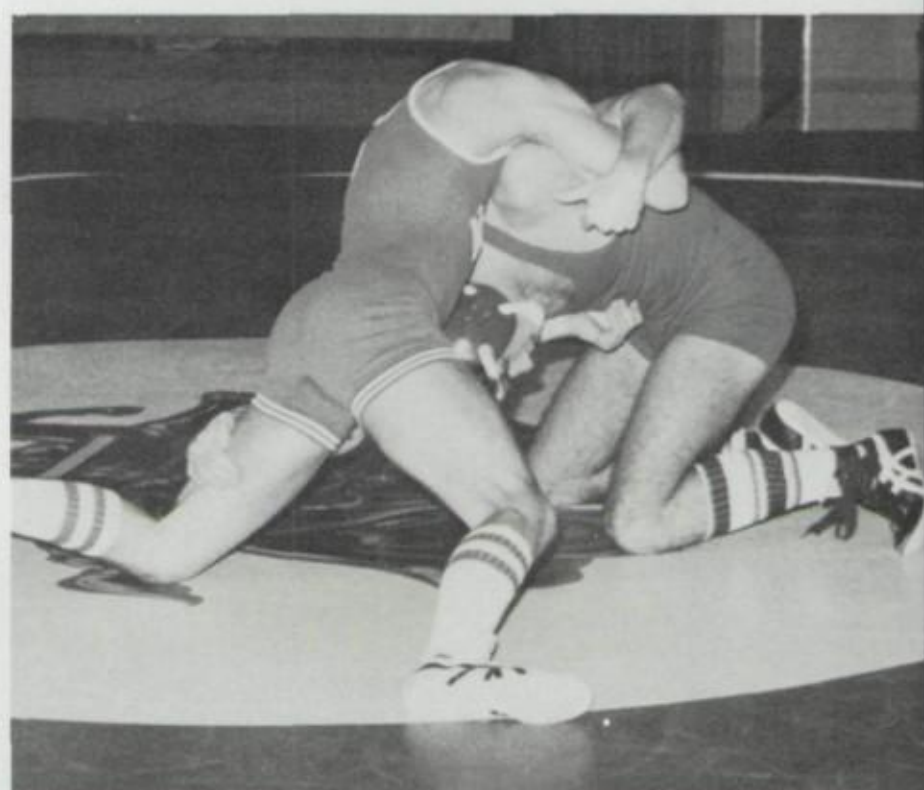

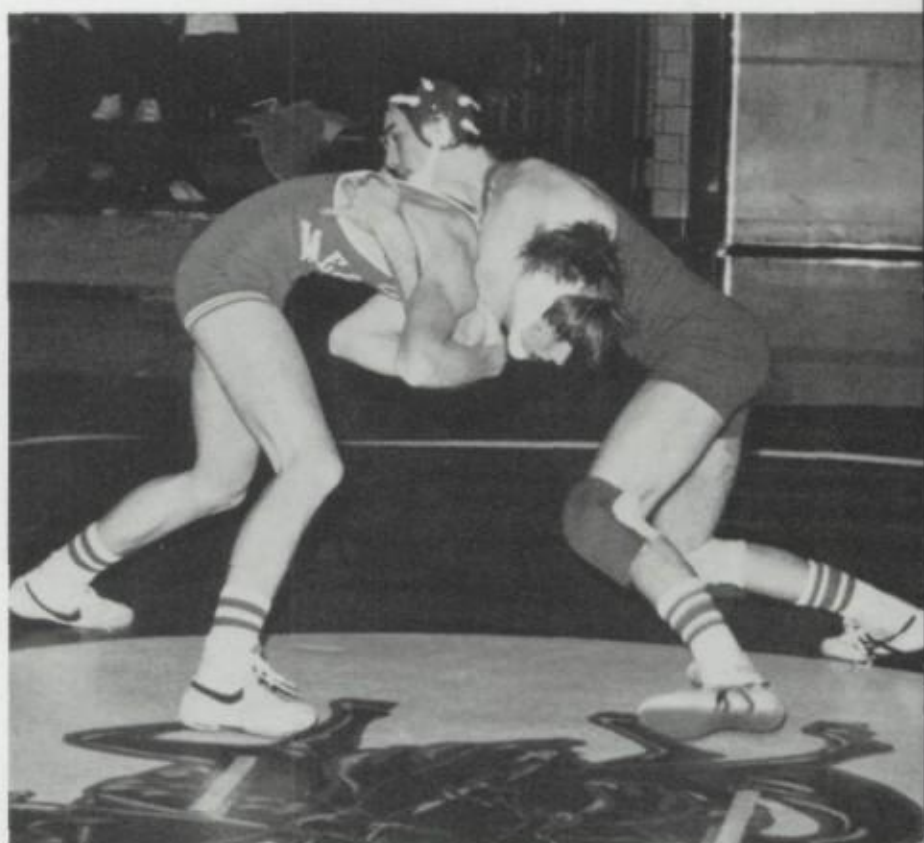

In their first year of existence, the Girl's Junior High team added the 7th and 8th grade girls to the basketball program, something that the boy's have had for some time.

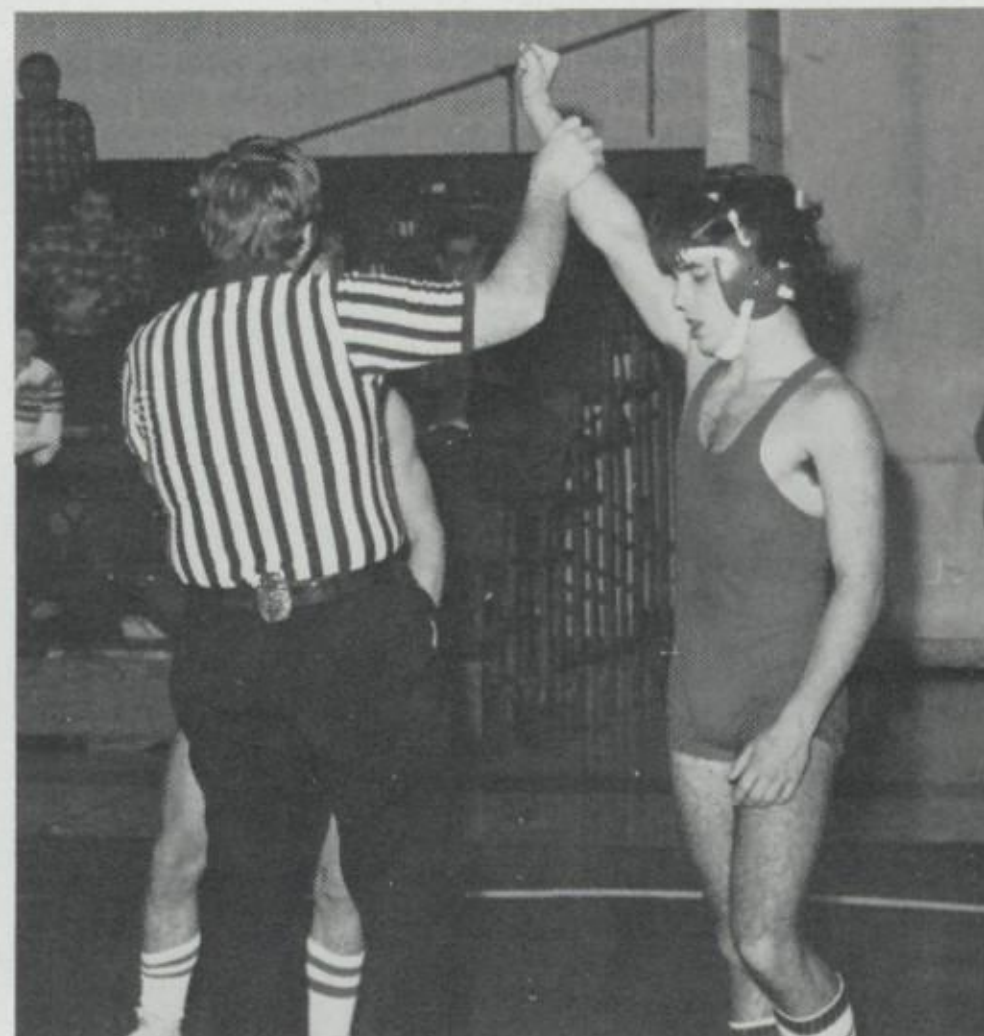

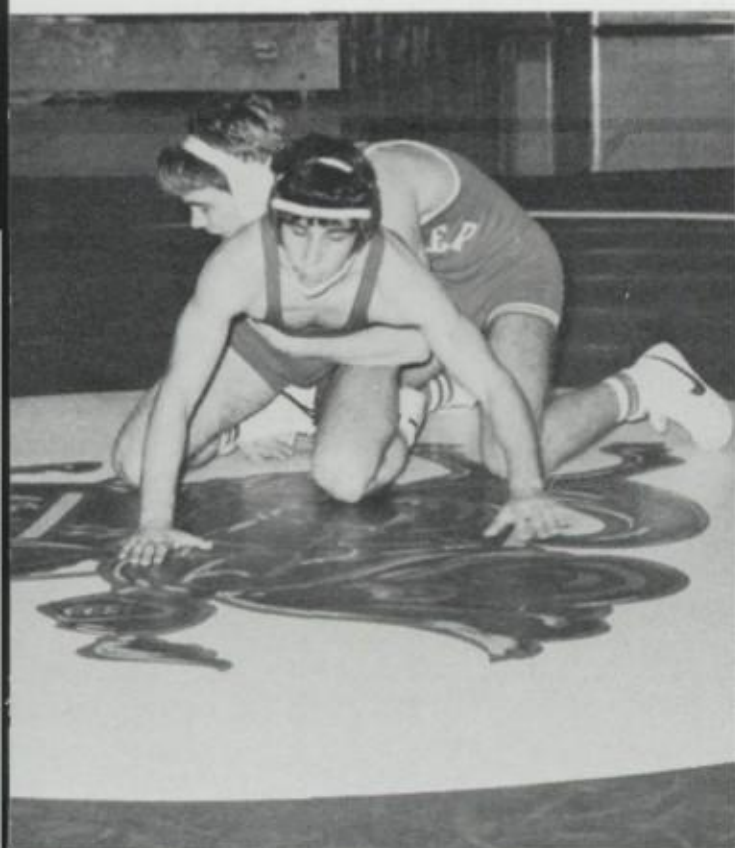

# Wrestling

This year's wrestling team was plagued by two menacing problems this season. The first was a lack of personnel. Only eight team members showed the determination to be a part of the sport. This resulted in at least three forfeited matches at every team match. The loss of 18 points for the team before the match even starts makes it very difficult to come back. The members of this year's squad were Jim Balog, Jack Camerot, John Carr, Steve Chisholm, Vince Costa, Tony Moses, Ed Panella, and Larry Doran, coached by Mr. Joseph Allay.

The other problem facing Neshannock's matmen was that this is only the second year that wrestling has existed at Neshannock. Some of the team members were in their first year of competition in the sport. While the grapplers from Neshannock had to concentrate on fundamentals in order to just learn about the sport, the teams that they competed against usually had had a wrestling program at the school for some time. This lack of needed experience showed up time and again during the year. Hopefully, this season will work as a stepping stone for better things in the future.

## Boy's Tennis

Many opponents believed that the 1982-83 Neshannock tennis team would be devoted to rebuilding, but Coach Bob Brown and our young team had other ideas.

Last year's juniors were led by Dan Hess at first singles. Other juniors were Mike Blewitt, Dave Messner, and Tom Whittaker. The freshman class was also well represented with Mike Fisher, Craig Prokopchak, and Russ Morris.

Among the team's accomplishments was a brief, yet impressive appearance in the W.P.I.A.L. doubles tournament. Also, the team won its first ever playoff match, by defeating New Brighton.

## Girls' Track

The Girls' Track team had a very successful and rewarding season this past year. The team ended their dual meet season with only one loss (to Mohawk). As the second place team in the track section, the girls entered the championship rounds. In their first meet, they defeated Quaker Valley to advance to the semi-finals. But, in that meet with Mars, the girls were eliminated in a close meet.

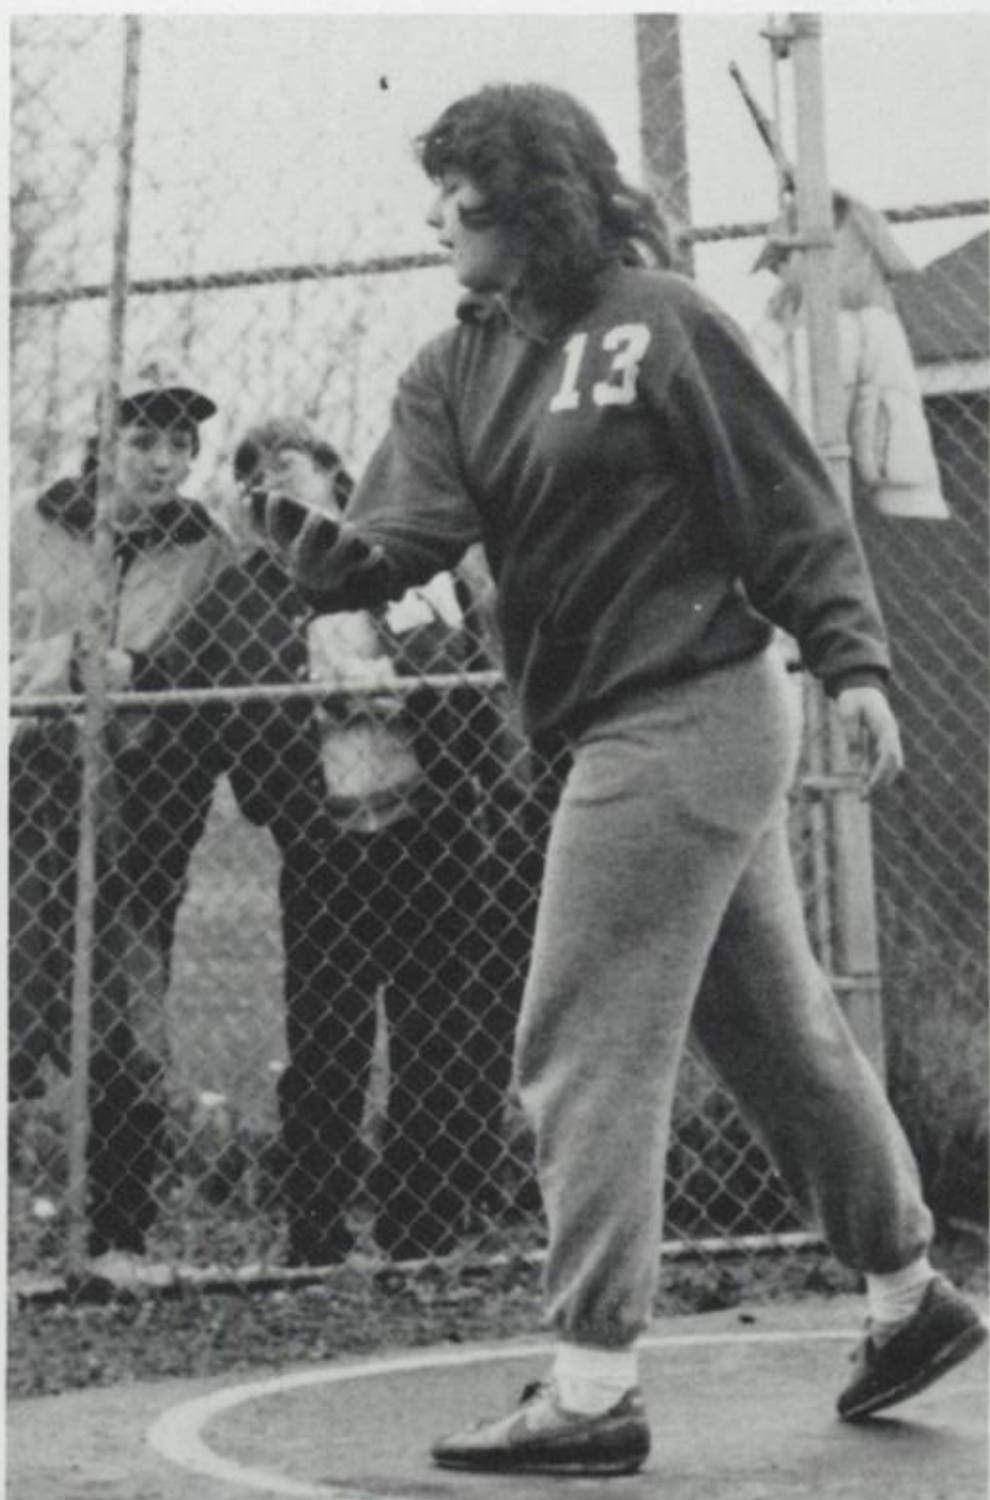

Besides the dual meet season, there were other honors for the team and some of the individuals on the team. At the Tri-Country Meet held at Shenango High School, the girls held back the rest of the competition and won the Tri-Country Championship. Later in the season, the W.P.I.A.L. Championships, two girls qualified to compete at the P.I.A.A. State Championship Meet held at Shippensburg State College. Brenda Miller qualified for the 200 Meter Run at the state finals, while Tammy Sankey qualified for the shot and discus, finishing 9th in both events.

The Lance staff would like to congratulate coach Chuck Travers and the girls for a fine season.

## Varsity Cheerleaders

For the first time, all three cheerleading squads attended cheerleading camp over the summer. The camps were sponsored by Nationwide Cheerleading Association. That was only the beginning of all the hard work and practice and effort the girls put forth. While the football players were sweating it out on the practice field, the cheerleaders were working on new cheers and routines. In order to raise enough money for the candy, locker signs, paint, and camp, the girls held two car washes and a hoagie sale. The girls also sold Lancer painters hats, which was a good way for the student body to show their spirit. The cheerleading advisors are Miss Sandy O'Kresik and Miss Kathy Kearney. The cheerleaders would like to thank these two for all the help and support they have given.

# Lance

The 1984 **Lance** Co-Editors, Leanne Casalandra and Cathy Jay, worked hard all year with their advisor, Mr. Russell Barley, to put together this yearbook. Many students would not realize that the type was serif gothic and the size of the headlines was 30 point, but these three people are all too aware of that!!! More work goes into the composition of a yearbook than many people are aware of. There are the large jobs of cropping pictures, working on layouts, typing, figuring out who all of the students are in the pictures, and organizing the book so that you can enjoy it.

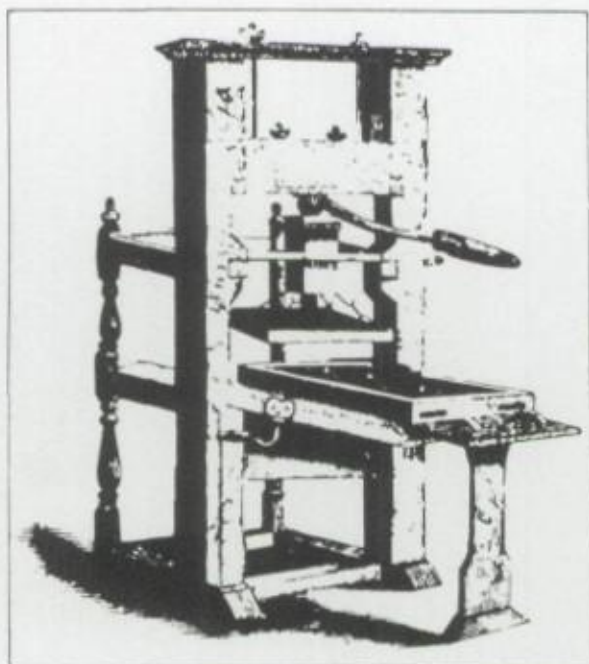

While we at the **Lance** strive for perfection, sometimes an error will slip by us. But, "to err is human." Hopefully, these mistakes will be overlooked in the future and those not TRULY involved in the making of the yearbook may realize that the book they come to expect is much more difficult to put into reality than meets the eye!

# Student Council

Hardworking would be the best way to describe Neshannock Junior-Senior High School's Student Council this past year. During the year, Student Council tried to keep the calendar filled with activities, some old, familiar ones and some new ones that seemed to be very popular. The year's first activity was the Homecoming Dance held on Saturday, October 1, the day after Neshannock's Homecoming victory over Rochester. Queen Ann Piccirillo and her court presided over the affair. Later in the year, Student Council sponsored a Christmas Mixer, complete with decorations and a visit from Santa Claus (played by Beaner Trott). Some of the

decorations used at the mixer came from another Council sponsored activity, a Homeroom Door Decorating Contest. Miss McCullough's Homeroom 201 was victorious with a door which was judged to convey the Christmas spirit best while being most original and most well decorated. Their door acted as a background for pictures taken with Santa Claus. Also offered to the Junior High grades were two mixers and a "Fun Night" with an open gym to play whatever games they chose. All of these were attended heavily by our 7th and 8th graders.

Continued this year after its first year in the 1982-83 school year was the **Student Newsletter**, a weekly newsletter written entirely by Student Council members. Students could read about the various sports teams, news from Student Council, and about various other activities going on in the school. Andrea McRoberts, Student Council President, put many hours of work into the paper during the course of the year, keeping it light and informative.

# Teacher's Assistants

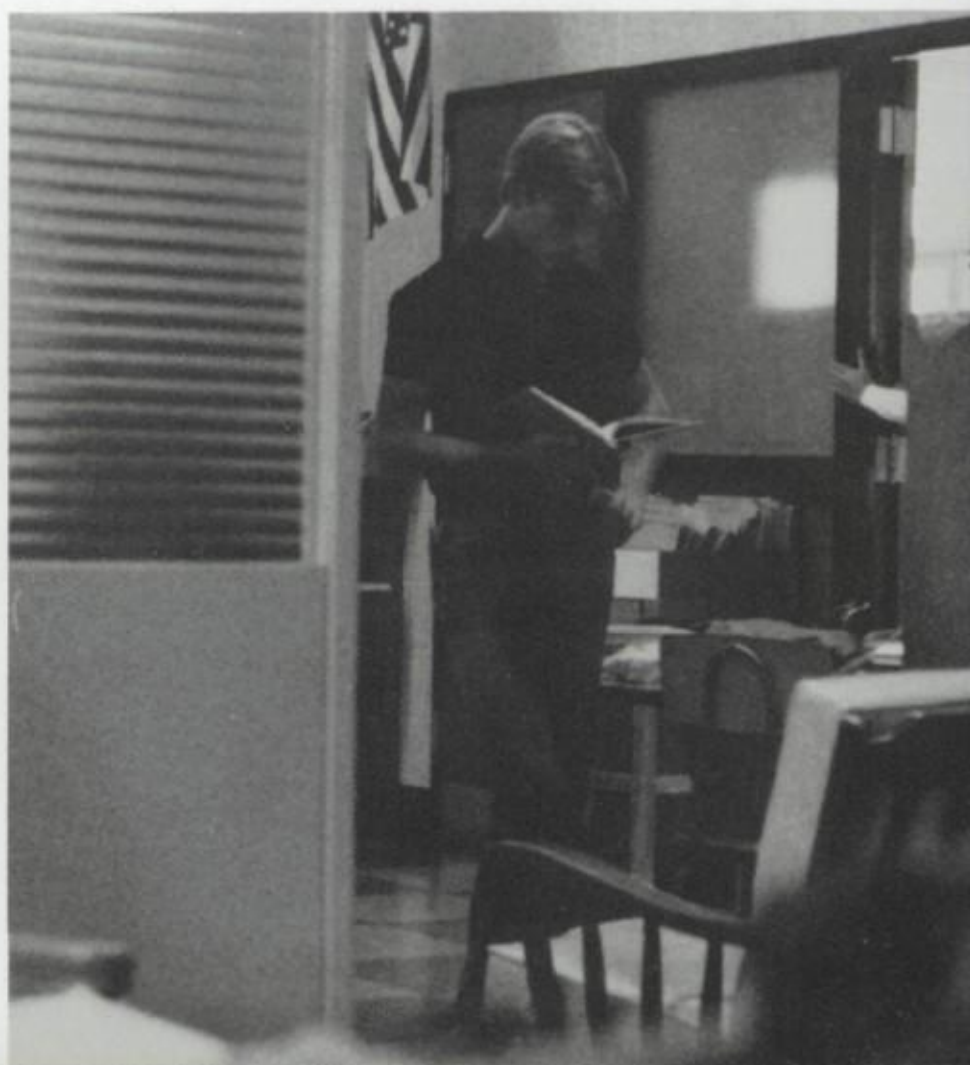

Neshannock's most important organization is not a club but a class taken by 29 very special seniors and by 4 others who have volunteered their time. These students are the Teacher's Assistants (affectionately known around school as TA's). For at least one period per day, these students act as tutors for the Junior High and Elementary students who need help with some of their subjects. Often, these people will spend two or three class periods helping students and making flash cards among other things instead of spending time in a study hall. This unique and very special group is under the watchful eye of their instructor, Miss Margaret McCullough.

One of the things that all of the tutors will surely remember is the vast number of cards which they had to prepare for the younger kids to study from. Thousands of cards are made each year to help the students who need them to study for exams. Often, the TA's will make up games based on board games, but using questions from a subject area instead of dice or spinners. They also spend some time decorating the room they use to give it a better atmosphere.

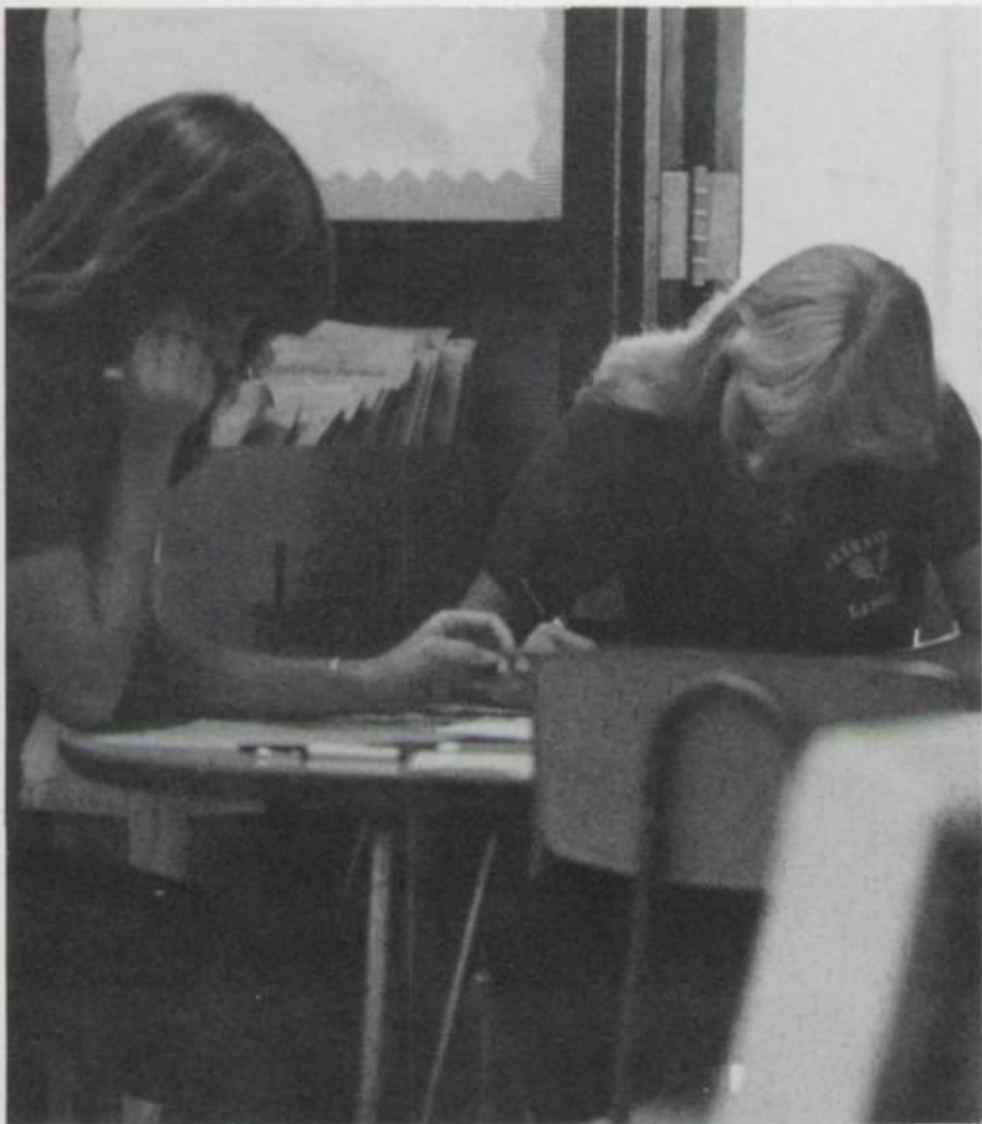

This program has been extremely successful here at Neshannock, and we on the **Lance** staff would like to salute them for their efforts.

# Youth Page

The 1983-84 **Youth Page** writers Anita Cicero and Laurie Hart, who are under the direction of Mrs. Werzel, are responsible for the informative weekly articles found in the **New Castle News**. The articles deal with the extra-curricular activities at N.H.S. as well as school news, competitions, and noteworthy honors bestowed on Neshannock's student body and faculty.

Although Anita and Laurie are the only free-lance **Youth Page** correspondants, Mrs. Werzel's sophomore English class also contributes regularly.

Parents of Neshannock students and residents of the New Castle area find the **Youth Page** very informative and look forward to its weekly publication in the newspaper.

L. Hart, A. Cicero.

# Student Life

Neshannock High School's student newspaper is appropriately titled **Student Life**. **Student Life** is a monthly publication for and about the students of Neshannock. Some of the stories cover events that occurred in the past month, while others cover the lighter side of high school life with answers to questions such as "What do you want for Christmas?" The quarter price is worth every penny. Mrs. Werzel and her staff should be commended for their fine work on **Student Life**.

## History Club

The newly-formed History Club, under the leadership of Mr. King, explores new horizons that previous history oriented clubs could not encompass. This year, the club has had programs dealing with such subjects as archeology, the Kennedy Assassination, and the prophecies of Nostradamus. Club officers are Randy Smith, Randy Giangliuli, Rachel Ludwiczak, and Charlene Russo.

## PA Announcers

What would the student body do in the morning without the announcements? Luckily, they will never have to find out. This year, Leanne Casalandra and Cathy Jay were the friendly voices who read the announcements on the PA system. Despite struggling through trying not to laugh and trying to read some teachers writing, these two girls are to be commended for doing such a good job!

L. Casalandra, C. Jay

## Math Competition

Miss Otto and Barley took many competing math teams to various colleges this year. These students placed very high at the Math Competition at Westminster College. This group, along with other students, also traveled to Edinboro University to compete against other students from different schools. At this time, the **Lance** staff would like to congratulate these four students on doing such a fine job of representing N.H.S.

M. DiBiase, R. Ramsey, B. Plant, M. Prabhu

# French Club

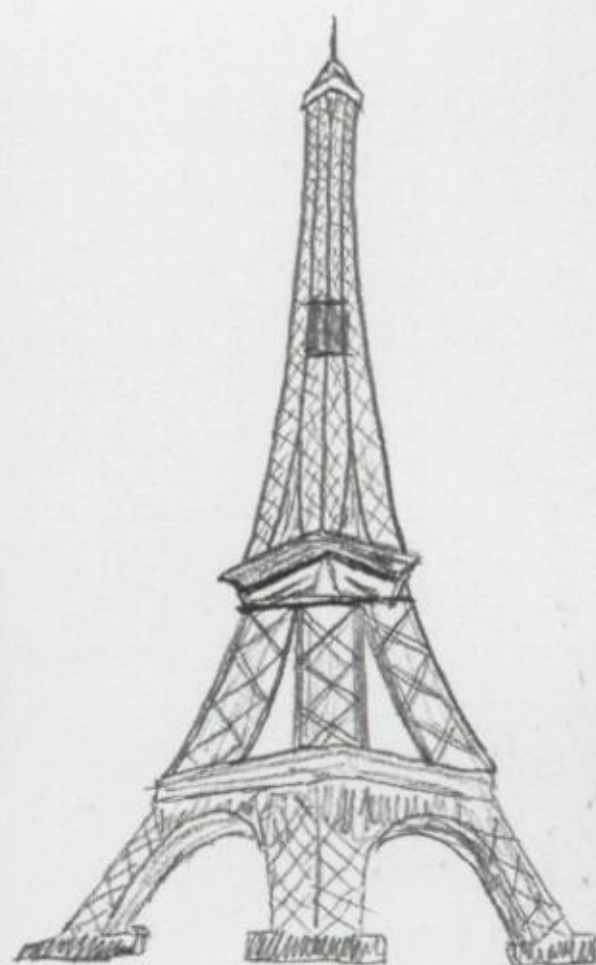

Officers: J. Mecurio, K. Beebe, D. Simpson

The French Club, which meets once a month, held their dinner Dec. 6. The students brought variations of French foods. Any student who was presently enrolled in his third year of French was able to join this club. Mrs. Fredrick advises.

## *Ski Club*

During the winter, the Neshannock Ski Club took several skiing trips to the various slopes in the area. Under the sponsorship of Mr. Ketterer and Miss McCullough, the club is also one of the most popular organizations as you can see by the above photograph. Though the club sponsors the trips, students are required to purchase their own lift tickets, rent equipment on their own, and on their first trip take ski lessons before heading down the slopes. While most members might say that they would like to go more often, the club does get the opportunity to take the members to the slopes enough to satisfy everyone.

Under advisors Mr. Hoffman and Miss McCullough, the Ice Skating and Hockey Club sponsors numerous trips to the Brady's Run Ice Arena to skate. They also meet at least once a month to discuss upcoming trips and to learn more about ice skating and hockey.

## ***National Honor Society***

The Neshannock Chapter of the National Honor Society opened their year with their induction ceremony held during the month of November. Mr. Scungio was the guest speaker. They were also instrumental in putting together Senior Citizens Night, helping the elderly into the building and serving cookies and punch.

# High School Choir and Special Vocal Groups

The Senior High Choir did much more than do concerts for their parents and friends here at Neshannock as do many other high school choirs. The choir under the direction of Mr. DeAngelo, could be seen in the Town Mall doing a concert for the people of the New Castle area prior to Thanksgiving, or doing assemblies for both the Senior High and the Memorial Elementary students before Christmas vacation. They also did a concert at Northminister Church for area citizens. Oh yes — they also found the time to do concerts for their parents and friends here at the auditorium.

Also included in Neshannock's vocal groups are the Girl's and Boy's Ensembles. Comprised of select members of the choir, these groups also performed at concerts.

This year the band was under the field direction of Monohar Prabhu and Jim Acierno. Directing over them was Mr. Tom Schaffner. The Flag and Rifle Corps were under the direction of Mrs. Bernie Schaffner. The Lancerettes and Majorettes were under the direction of Miss Laurie Evans. This year the band worked very hard. Over the course of the year they performed at the Pie Festival, The Lawrence County Band Festival, The Halftime Shows, the Veterans Day Parade, and The Christmas Parade. During the halftime shows this year, the Lancerettes performed to Your Love is Driving me Crazy, the Majorettes performed to Alexanders Ragtime Band, the Rifles to Billie Jean, the Flags to Watermellon Man and the Band even had two features.

I was walking down a road about a lifetime ago  
 When I heard my name being called.  
 I looked and saw a wise old owl  
 Who was kind and old and bald.  
 He'd lived through it all and he learned from it  
 And there were stories he liked to tell.  
 So stayed around for a few of my years  
 Until I got to know him well.  
 He taught me a lot about life itself  
 And he taught me about others too.  
 He was always there when I needed a friend;  
 Times when I had few.  
 I was almost ready to leave the nest  
 To see the world for myself,  
 When the wise old owl cried out to me  
 And said "Son, I'm getting poor in health."  
 So be left the nest to tend to himself  
 I was sure he wouldn't be gone long.  
 Soon he'd be back, feeling better each day —  
 Getting well and feeling strong.  
 I never saw the old owl again  
 Though this I have to tell.  
 I never wanted to say goodbye  
 So I'll just say "Farewell, my friend, farewell."

Howard K. Cohen

**Mr. Robert Criswell**

**Mr. Robert Seaholm**

He was teacher, counselor and friend. By his own life and conduct he exemplified the Christian principles in which he so devoutly believed, and instilled in those around him an admiration and respect for all things good.

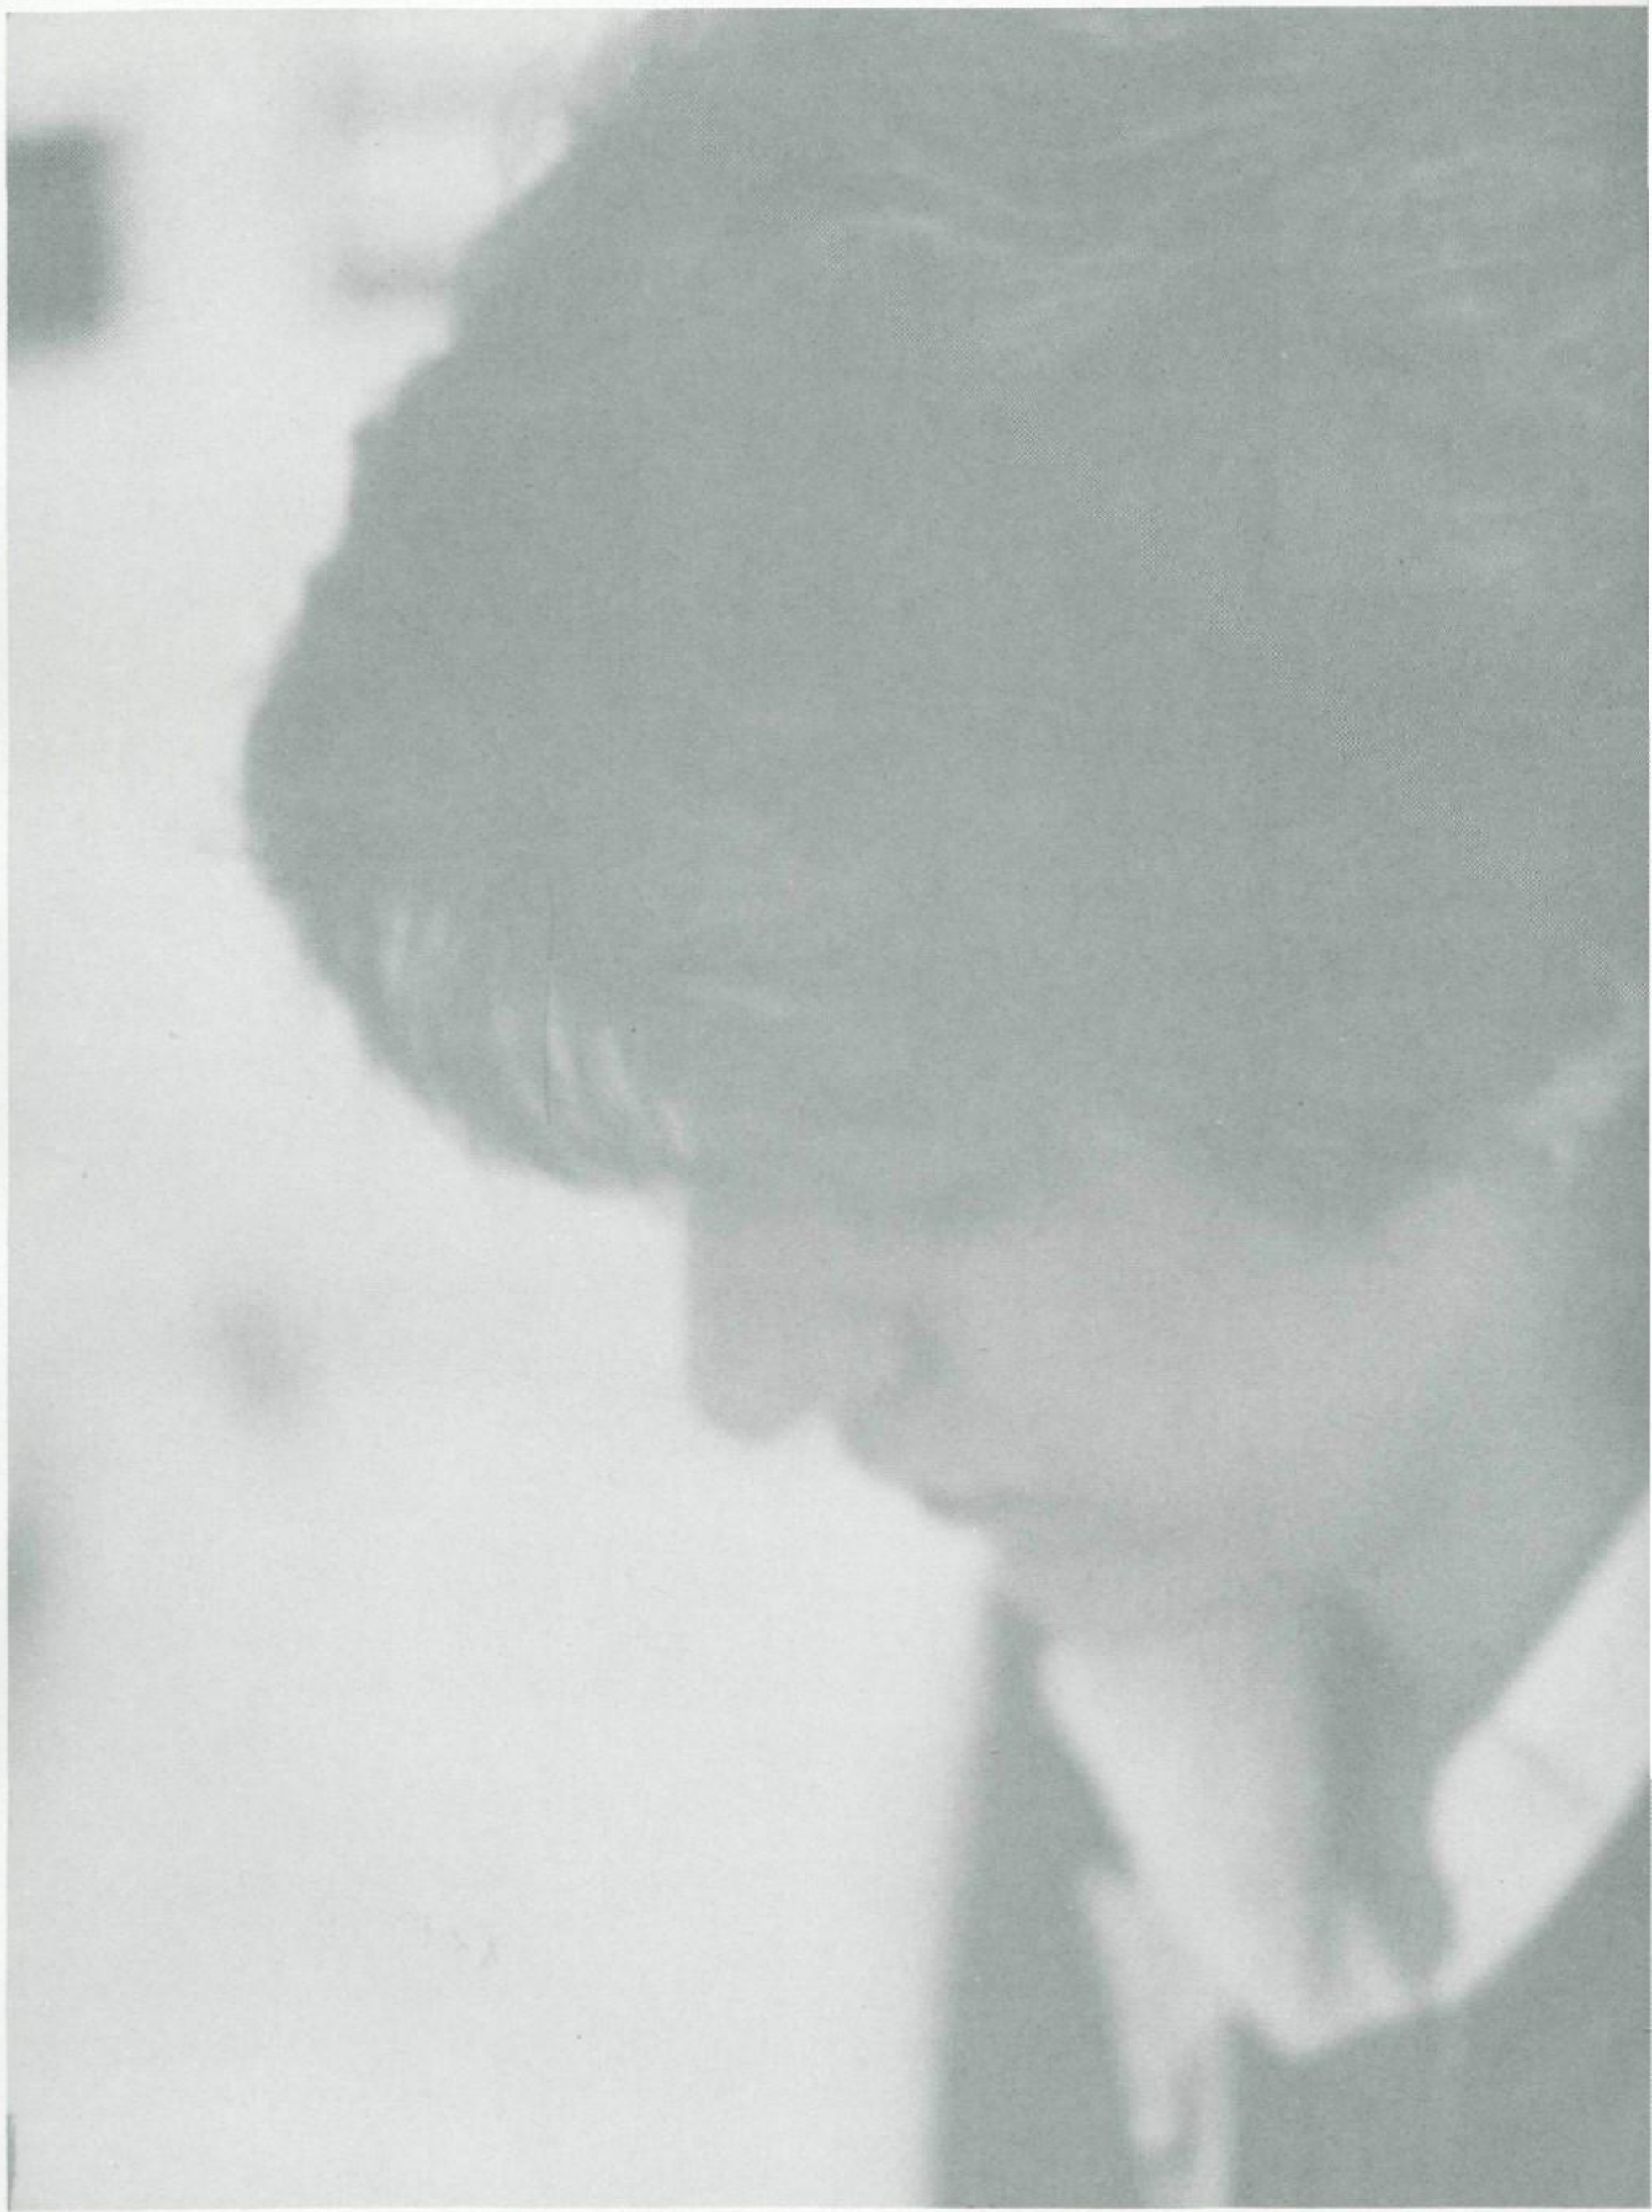

He dedicated his time and talents to helping others, motivated by one earnest desire to make the world a better place.

He had an abiding faith that never wavered even under the most trying circumstances.

In the realm of time his stay on earth was brief; even so, he left an endearing legacy of love, compassion, humor, and understanding for all living creatures.

## BELIEVE IN YOURSELF

*By Edgar A. Guest*

Believe in yourself! Believe you were made.  
To do any task without calling for aid.  
Believe, without growing too scornfully proud,  
That you, as the greatest and least are endowed.  
A mind to do thinking, two hands and two eyes  
Are all the equipment God gives to the wise.

*Believe in yourself! You're divinely designed  
And perfectly made for the work of mankind.  
This truth you must cling to through danger and pain;  
The heights man has reached you can also attain.  
Believe to the very last hour, for it's true,  
That whatever you will you've been gifted to do.*

Believe in yourself and step out unafraid.  
By misgivings and doubt be not easily swayed.  
You've the right to succeed; the precision of skill  
Which betokens the great you can earn if you will!  
The wisdom of ages is yours if you'll read.  
But you've got to believe in yourself to succeed.

Mr. Russell Barley

We at the **LANCE** would like to thank the following people who helped make this publication possible:

Mr. Barley — for all the extra hours.

Miss McCullough — for putting up with the mess.

Mr. Hink — for letting us leave school when we had to.

Dr. Ketterer — for taking us to Par's.

We would also like to give a special thanks to Marda Morris, Tracy Steingasser, Andrea McRoberts, Estee Mermelstein, Patty Cicero, and especially to Randy Smith, who provided all of the calligraphy and artwork used in the '84 **LANCE**
